Hire MoVal: Qualify for an additional discount up to 4% when you hire Moreno Valley residents.

Moreno Valley Utility (MVU) serves more than 8,000 customers and with a peak load of 60 MW. MVU has an excellent reliability record. Our infrastructure is new at 10 years or less. Most large commercial customers have redundancy built into the design, which provides the ability to restore service quickly in the event of a planned or unplanned outage.

MVU serves all new development in the City and is proud to include many Fortune 500 companies such as Amazon, Harbor Freight Tools, Procter & Gamble, Ross Dress For Less and Skechers.

COST SAVING **PROGRAMS**

SOLAR

Commercial customers who install solar panels receive competitive net-energy compensation for their production. Contact the MVU solar team, we can help you determine the size and options that would be applicable to your site.

ENERGY EFFICIENCY

Incentives available for energy efficiency measures that exceed Title 24 requirements installed in both new construction and upgrades to existing buildings.

CONNECTIONS

MVU supports multiple points of connection for new buildings.

MVU will work with you every step of the way, from design through construction, to ensure a quality project.
